PUBLIC COMMENTS

Mrs. JoJo Campbell – Asked the Board to reconsider the Ross Farm Conditional Use to require drip irrigation instead of spray. Also to consider mandating the use of drip irrigation in Lower Oxford Township instead of spray. She requested that the Board work on ordinances to use drip irrigation in Lower Oxford Township. Asked that they please consider the health and safety issues. Asked if DEP could change spray to drip irrigation.

Mr. Tony derKinderen – Said that he agrees with Mr. Cheek’s comments on the OASA loan for \$27 million. If there are no new hook-ups to pay for it, who does it go to: the ratepayers or the townships? From what he read, it’s not in the documentation anywhere. Said it should be run like a business; start slow and increase capacity.

Mrs. Charlotte Elinsky – Said that the debt is unimaginable, but if we do nothing it is absolutely certain we will not have any growth in this area.

Mr. Cheek moved to adjourn the meeting at 8:12 p.m. Mr. Hershey seconded the motion and thanked everyone for attending. MOTION CARRIED.

Note: Copies of all reports mentioned are available at the Lower Oxford Township Building, 220 Township Road, Oxford, PA.
